

# AL-MAMMOOR SCHOOL

Nov. 12, 2020

Covid-19 is still in full throttle & November has already proven itself to be the worst month of the Pandemic for the country so far. Even more alarming, public health experts warn that, with the cold of winter months, December and January will be even worse. We worry for our students and community at large, so we urge everyone to stay safe, stay at home if possible, and always wear a mask in public. May Allah keep us healthy, strong, and safe.

Read more about the current state of the pandemic here:

Remote learning is certainly a challenge, but we want to applaud our teachers, students, and parents for their amazing work masha'Allah. We all miss having students live in our school building, but health and safety are our priority. We will continue to monitor the pandemic insha'Allah. For now, we are compelled to continue with remote learning until the pandemic better by Allah's permission.

JazakAllahukhair

# Cook Off Rubric

	Plongeur (dishwasher) 1 pts	Apprentice (learning) 2 pts	Cuisinier (cook) 3 pts	Sous Chef(deputy chef) 4 pts	Chef de cuisine (Master chef) 5 pts
<p>Creativity/ originality</p> <p>How creative was your end product with the surprise ingredient?</p>	Plain, didn't try to explore their possibilities.	Spent little time. It was good but nothing special. Surprise ingredient was used.	It is somewhat different. Put some thought and time into it. Surprise ingredient was used wisely.	It is special. Shows time and effort put in planning. Surprise ingredient was well used.	It's unique. Shows lot of time and effort put in planning. Surprise ingredient was creatively used.
<p>Presentation</p> <p>How well was food served?</p>	Put together quick and sloppy.	Should have spent more time on this aspect.	Plated well - decorated nicely.	Good presentation with colorful and appropriate decoration.	Very well plated- Excellent decoration with a unique touch.
<p>Hygiene and cleanliness</p> <p>How well was cleanliness maintained by the team?</p>	Poor hygiene.	Hygiene was not the main criteria for the team.	Hygiene was practiced at times.	Hygiene is visible but still not the priority.	Very hygienic, keeping in mind to wash, clean and wipe.

# THE CHANGEMAKER CHALLENGE

## WHAT IS THE CHANGEMAKER CHALLENGE?

Students will send in photos of handmade awards such as, trophies or ribbons that they want to give to a changemaker in their area. A changemaker is anyone who makes a difference. It can be a neighbour, a sibling, a friend, or anyone in your community. For each award sent in, the Bezos Family Foundation will donate 5\$ to select charities.

Want to start your own club? Here's how!

### Club Details

What you need to know about clubs for the 2020-2021 school year:

1. All clubs will meet remotely
2. All clubs are required to have a teacher act as club advisor. That teacher's zoom link will be used to host club meetings.
3. Clubs will meet weekly during office hours.

Interested in making your own club? Here's how to start!

1. **Club Name and Purpose.** What kind of club would you like to make? Clubs can be recreational or community service related. Community service related clubs will accrue community service hours (remember, all students need 100 hours of community service to graduate).
2. **Projected Member List.** Once you know the type of club you're interested in developing, find other students who would be interested in joining that club. Aside from yourself, you'll need at least 3 other students to want to join the club before the club can be formed.
3. **Student Roles.** All clubs must have a President and Vice President minimum. More student roles are permitted as necessary.
4. **Club Advisor.** All clubs are required to have a teacher act as club advisor. This is for your benefit since the teacher will be able to offer guidance that may expand your club in ways you might not think possible. To get a club advisor, reach out to a teacher and ask if they would act as your club's advisor. If you need help, reach out to us at [almamoorschool@gmail.com](mailto:almamoorschool@gmail.com) and we'll try to help insha'Allah.
5. **Write a Written Request.** Once you have all of the above, write a written request to form the club and send that request to [almamoorschool@gmail.com](mailto:almamoorschool@gmail.com). In your request, make sure to include all four points mentioned above (club name and purpose, projected member list, student roles,

and club advisor). We'll review your request and reach out to you within a few days insha'Allah.

Voila! Your club is formed!

Want to start a club, but you're not sure what kind? Here's a list of suggestions!
